

PUBLICATIONS

PORTUGUESE JOURNALS

Silva, A.M., Paiva, N., Mouzinho, P., Carmesim, R., & Rodrigues, J. (1999). A indisciplina nas aulas de Educação Física em dois contextos escolares diferenciados. *Ludens*. 16, 5-15.

Sardinha, L.B. Silva, A.M., Minderico, C., Carnero, E., Branco, T. & Martins, S., (2003). Validação Externa de Métodos Antropométricos e de Biompedância para a Avaliação da Percentagem de Massa Gorda em jovens atletas. *Obesidade, Diabetes e Complicações*, 2(3-4), 139-147.

Silva, A.M., Minderico, C. & Sardinha, L.B. (2003). Are bedside techniques accurate and suitable to estimate body fat in adolescent athletes?. *Revista Portuguesa de Ciências do Desporto*, 3(2), 95-98.

Sardinha, L.B., Silva, A.M. & Minderico, C. (2003). Composition and density of fat-free mass in adolescent athletes based on a five-component molecular model of body composition: comparison with Lohman's age-adjusted models. *Revista Portuguesa de Ciências do Desporto*, 3(2), 86-88.

INTERNATIONAL JOURNALS

Sardinha, L.B. Silva, A.M., & Teixeira, P.J. (2003). Usefulness of age-adjusted equations to estimate body fat with air displacement plethysmography in male adolescent athletes. *Acta Diabetologica*, 40(1), 58-63.

Silva, A.M., Shen, W., Wang ZM, Aloia, J.F., Nelson, M.E., Heymsfield, S.B., Sardinha, L.B. & Heshka, S. (2004). Three-Compartment Model: Critical Evaluation Based Upon Neutron Activation Analysis. *American Journal of Physiology-Endocrinology and Metabolism*. 287 (5) 962-969.

Teixeira, P.J., Palmeira, A.L., Minderico, C.S., Branco, T., Martins, S., Temudo-Barata, J.L., Silva, A.M. & Sardinha, L.B. Who Can Lose Weight? A longitudinal study with Portuguese overweight and obese women. *International Journal of Behavioral Nutrition and Physical Activity*. 1(1):1-12.

Silva, A.M., Minderico, C.S., Rodrigues, A.R., Pietrobelli, A. & Sardinha, L.B. (2004). Calibration models to measure body composition in taller subjects using DXA. *International Journal of Body Composition Research*. 2(4):165-173.

Ginde, S.R., Geliebter, A., Rubiano, F., Silva, A.M. & Heymsfield, S.B. (2005). Air Displacement Plethysmography: Validation in Overweight and Obese Subjects. *Obesity Research*. 13(7): 1232-1237.

Silva, A.M., Wang, J., Pierson Jr.R.N., Wang, ZM., Allison, D.B., Heymsfield, S.B., Sardinha, L.B. & Heshka, S. (2005). Extracellular Water: Greater Expansion with Age in African Americans. *Journal of Applied Physiology*. 99(1):261-267.

Silva, A.M., Minderico, C., Teixeira, P. & Sardinha, L.B. (2005). Body fat measurement in adolescent athletes: multicompartiment molecular model comparison. *European Journal of Clinical Nutrition*. *In press*.

Sardinha, L.B., Silva, A.M., Minderico, C. & Teixeira, P.J. (2005). Effect of using 2 different body surface area equations on body fat estimates with a 2C and 5C molecular model in nonobese and obese subjects. *Physiological Measurements*. *Submitted*.
